

Discovery day of vegetable paper making and paper creation

6 hours

Technical & historical information time.
Initiation to the traditional Japanese technique for paper making.
Materials and transparencies games with Kozo and Lokta fibers.
Personal observation time and sharing.

I invite you to meet Kozo and Lokta fibers, to be in relation with them
and to make paper sheets. Sheets to touch, to lay on
words, a thought. Sheets to explore, to hang, sheets to highlight.

Workshop is open to anyone, beginner or not.
No specific knowledge is necessary.
Limited places. Prices and dates on request.
